*Proceedings of the Madras Government, Judicial Department,
from 18th to 27th May 1859.*

No. 49. Read the following letter from R. B. CHAPMAN, Esq., Under Secretary to the Government of India; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Fort William, the 29th April 1859, No. 855.

In reply to your letters noted in the margin, I am directed to inform you that huts will be provided for the men of the Andaman Sibundy Corps at the expense of the Government, and to request, with reference to paragraph 2 of your letter of the 23rd Ultimo, that you will be good enough to state, as early as practicable, the probable date by which the Corps will be fit for service in the Andamans.

2. Referring to paragraph 5 of the same letter, I am desired to enquire what arrangements have been made or are proposed to be made for recruiting the Pegu Police Corps. It occurs to His Excellency in Council that if a Depôt is formed for that Corps, it may also be made use of to recruit for the Corps in the Andamans.

No. 50. ORDER THEREON, 21st May 1859, No. 713.

The above letter will be communicated to the Commandant of the Andaman Sibbundies in reference to his letter, 15th February last, No. 11.

2. The question as to the arrangements to be made for recruiting the Andaman Corps will be referred to the Commander-in-Chief, through the Adjutant General's Department. If a Depôt for recruiting the Pegu Police has not been formed in this Presidency, or if located here, it is not practicable to make use of it for supplying the Andaman Corps; His Excellency will be so good as to suggest whether any other existing Depôt may not be resorted to for the purpose, or failing this plan also, what other arrangements may be made exclusively for recruiting the Corps.

3. The Superintendent of Marine has been desired to provide for the transport of the Corps. Mr. Bruce should now proceed to engage the Puckally sanctioned in para. 3 of Extract Minutes of Consultation 23rd March 1859, No. 392, and he will also report, in reference to para. 4 of the same Extract, whether an Artificer has as yet been appointed to his Corps.

(Signed) T. PYCROFT,
Chief Secretary.

No. 606.

From,

A. J. ARBUTHNOT, Esq.,

Director of Public Instruction.

To,

THE CHIEF SECRETARY TO GOVERNMENT,

Fort St. George.

SIR,

I have the honor to submit for the consideration of the Honorable the Governor in Council, the annexed copy of a letter under date the 16th Instant from Mr. Shaw, Principal of the Medical College, requesting that he may be permitted to draw the salary assigned to the Principalship.

2. Mr. Shaw's remark at the commencement of his letter that "funds are now available", has reference I understand to an arrangement which was determined on by Government, when my proposal to appoint a paid Principal was approved, and by which it was intended to provide a salary for the Principal, partly from the funds available for the Medical establishment at the Presidency and partly from the salary hitherto assigned to the Secretaryship.

3. If this arrangement be now feasible, I beg to recommend that it be carried into effect. The office is one which demands no inconsiderable amount of time and attention, and to which in both the other Presidencies a liberal salary is attached.

Office of the Director
of Public Instruction,
18th May, 1859.
