With reference to the correspondence herewith forwarded, I have the honor to request that if any portion of the Rajahmundry Sibbundy Corps is available for that purpose, a guard may be furnished from it for the town of Ellore, situated nearly 100 miles from Juggiahpett the Head Quarters of the Sibbundy Corps of this District.

Sir, I have the honor to acknowledge the receipt of your Letter No. 212 of the 9th Instt. and to inform you that a Guard as per margin shall be sent to Ellore, on the return of the Guard under the Orders from Vizagapatam, the Guard will be at Ellore about the 1st proximo.

As it is probable that nearly the whole of the Vellumdy Corps will shortly be broken up on detached duties, I beg to state that I think it will be puzzling the men to save useless expenses to erect huts for 3 Companies at Vizagapatam, whenever detached, they will have to accommodate themselves by renting huts, I would therefore suggest that merely a sufficient number of huts be erected to accommodate the party left at Headquarters, which I imagine will not be less than one Complete Company.

To
T. A. C. Pharoe Esquire
Acting Collector & Magistrate
Masulipatam

Sir, With reference to my letter No 247 of the 12th instant, I have now the honor to request that you will be good enough to apply for the Ellore Guard to be furnished by the Rajahmundry Silladies which Station is somewhat nearer to Ellore than Vizagapatam is, and that Corps have doubtless power and steps to furnish them the Masulipatam Silladies, who will in a short time have also to furnish a chain of posts along the frontier between this Station and Rajahmundry &c.

1	Havildar	
2	Naigues	
20	Sepoys	

The Masulipatam Silladies already furnish the Detachments named in the margin, the same having 23 of all ranks on duty every day at Head Quarters - Therefore they have to state that if the Ellore Guard required by your letter is furnished from this Corps, there will not be sufficient Men effective now left at Head Quarters for the protection of the Treasury & Magazine &c. and to relieve the small out posts monthly which is allowedly necessary to keep them in a proper state of discipline. The Guard shall be sent off as requested, on the return of the Cuddapah reconnoitring party, but I request that you will do me the favor to apply for its relief by the Rajahmundry Silladies.

Havildar Shaik Hommud Commanding the Guard at Masulipatam, now stated in his report to Head Quarters that eight recruits have been made over to him to drill for the

the Mauritiatans deliberately Corpse; If such is the case, I have to inform you that there are two in excess of the numbers now wanting to complete, I should be much obliged if you could procure the services of two Native Christian youths, as Buglers, as I have no means whatever of obtaining that Class of men on shore.—

I have &c.
