No. 64. Read the following letter from J. ROHDE, Esq., Inspector General of Jails : to the Chief Secretary to Government, dated Bangalore, 11th December 1858.

SIR,

I have the honor to forward a Bill for iron supplied for securing the wards of the Ootacamund Prison, amounting to nine hundred and twenty-two Rupees, one Anna, and to request that sanction be given for the outlay.

I directed the purchase of the iron as I was doubtful of the Department Public Works having means to carry out the work, and as I would not allow of delay, directed the immediate purchase of the iron, while it was available.

Mr. Frazer having engaged to carry out the work, I have desired the Sub Judge to hold the iron at his disposal for Gaol purposes.

The outlay though large is needed, to make the Prison secure, and the Coimbatore Gaol must be relieved. The iron will all be available for other purposes hereafter and the work ought to cost but little.

My office records not having arrived, and I being about to start for Bellary, cannot refer to the former orders relative to the securing of the building and its occupation as a Prison.

No. 65. ORDER THEREON, No. 7; dated 4th January 1859.

The Inspector General of Jails [redacted] submit his Bill for the iron referred to, to the District Engineer, who will obtain sanction for [redacted] amount through the prescribed channel.

(Signed) T. PYCROFT,
Chief Secretary.
