Proceedings of the Madras Government, Judicial Department, from 1st to 10th June 1859.

No. 63. Read the following letter from Colonel G. BALFOUR, Inspector General of Ordnance and Magazines; to the Secretary to Government, Military Department, dated 8th June 1859, No. 70.

With reference to letter No. 62, dated 4th June 1859, at the last moment, the Principal Commissary of Ordnance has secured the services of a young man as Armourer for the Andaman Sebundies, and who has been trained under the Arsenal skilled Armourer sent from England; the young lad is reported to be qualified, and only asks (18) eighteen Rupees per month with rations.

2. I recommend Government to accept the offer, and to promise a small increase of pay after each year's service, as the (18) eighteen Rupees pay is very small according to the wages now demanded.

3. The young man is quite ready to embark at an hour's notice.

4. The Principal Commissary of Ordnance will be instructed to put up tools and stores for a year's consumption.

ORDER.—Communicated to the Judicial Department, with reference to Proceedings in that Department, No. 747, dated 30th May 1859.
