2 Abstract Estimates
1 Plan.

With reference to the orders quoted in the margin, I have the honor to forward, for submission to Government, a plan and 2 revised estimates, amounting together to Rupees 1,566, for the undermentioned works in the District of Malabar, viz.:

1. For purchasing and repairing the quarters lately occupied by Serjeant Williams, and adapting them as quarters for the Apothecary of the Malabar Police Corps... ... ... Rupees... 806
2. For purchasing, improving, and repairing the quarters occupied by Serjeant Ryan of do. do... ... ... Rupees .. 760

Total Rupees... 1,566

2. In Extract from the Minutes of Consultation, No. 1748, dated 27th August 1858, Government sanctioned the sum of Rupees 2,440 (for entry in the Budget of 1859-60,) for converting certain Native buildings into suitable quarters for the Apothecary, and Non-Commissioned Officers of the Police Corps. This amount is in addition to Rupees 1,426-13-11, sanctioned in Extract Minutes Consultation, No. 499, dated 9th March 1858, for the land &c., taken up for the new Cantonment.

* No. 1114, dated 11th May 1859.
† No. 41, dated 10th May 1859.

3. The Collector of Malabar forwarded* to the District Engineer, copy of a letter† from Lieutenant Bloomfield, Commandant of the Police Corps, wherein that Officer proposes, that the house occupied by Serjeant Williams be repaired for the Apothecary, to live in, instead of building new quarters for him. He states, that the proposed change will be a saving, as the estimate for the purchase, and repair of the house, was sanctioned in Extract from Minutes Consultation in the Judicial Department, No. 1122, dated 16th August 1858, as quarters for one of the Non-Commissioned Officers then attached to the Corps.

4. An item of Rupees 26 is included in the first of the above estimates, being the value of the land on which the building stood, which was formerly occupied by the Apothecary. As the sanctioned estimate for the Apothecary's house, included the purchase money of the ground situated in the very centre of the Cantonment, Lieutenant Bloomfield suggests, that the land in question be purchased from the owner, who is willing to part with it, for the small sum of Rupees 25, so that the Cantonment may not be divided.

5. The Collector is of opinion, that the adoption of Lieutenant Bloomfield's proposal is in every way reasonable.

6. The accompanying estimates have been examined, and the necessary corrections made in this Office. The rates therein given, are moderate, but sufficient to carry out the work, and are those obtaining in the Malabar District. I beg therefore to recommend, that Government will be pleased to sanction the revised amount, viz., Rupees (1,566) one thousand five hundred and sixty-six, in lieu of the estimate of Rupees 2,440, sanctioned in Extract from the Minutes of Consultation, No. 1748, dated 25th August 1858.

No. 23. ORDER THEREON, 15th June 1859, No. 822.

With the above letter, the Chief Engineer submits, in accordance with para. 5 of Extract Minutes Consultation 22nd March 1859, No. 380, a plan and two revised estimates, amounting to one thousand five hundred and sixty-six (1,566) Rupees, for purchasing quarters for the Apothecary and the Serjeant Major of the Malabar Police Corps.

Apothecary's quarters 780
Cost of land 26
... 806
Serjeant Major's quarters 760
Rupees ... 1,566

Proceedings of the Madras Government, Judicial Department, from 11th to 17th June 1859.

2. The Governor in Council approves the plan of the Assistant Apothecary's quarters and the proposed arrangement regarding it, as explained in para. 3 of Colonel Bell's letter, and directs that both works be carried out under orders to be given in the Public Works Department, in lieu of those at a cost of Rupees 2,440 entered in the Budget of 1859-60.

3. The purchase of the land, included in the revised estimates, valued Rupees [illegible] is sanctioned.

(Signed) T. PYCROFT,
Chief Secretary.
