Proceedings of the Madras Government, Judicial Department, from 11th to 17th June 1859.

No. 70. Read the following letter from W. H. CUMBERLEGE, Esq., Magistrate of Tanjore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 1st June 1859, No. 117.

I have the honour to acknowledge the receipt of Extract from the Proceedings of Government under date the 2nd February, No. 602, calling upon me to state whether the deceased Sheik Ismail left a widow and family, and if so, what provision would, in my opinion, be proper for their maintenance.

2. In reply, I beg to state that the deceased Sheik Ismail has a widow aged 25 years and two sons aged respectively 8 and 6 years, and that they have no means of subsistence except by receiving charity from the people in Negapatam. Bearing therefore in the recommendations which they have been pleased to bestow upon the services rendered by this family to Government and to the very high praise of the consistency of life, I would beg to recommend that a monthly allowance of Rupees 3 be allowed them till such time as the boys are of age and able to work for themselves.

No. 71. CHIEF SECRETARY, 16th June 1859, No. 826.

Resolved that an application be made to the Government of India for the grant of a pension of Rupees 3 per mensem to the family of the deceased Sheik Ismail Sahib to be continued until the two sons shall attain the age of 21 and are able to work for themselves.

(Signed) T. PYCROFT,
Chief Secretary.

No. 72. To the Secretary to the Government of India, dated Fort St. George, 16th June 1859, No. 827.

I am directed by the Honourable the Governor in Council to recommend, for the favourable consideration of the Government of India, the grant of a pension to the family of a deceased servant, as set forth in the margin, under the following circumstances.

2. From the Criminal Judicial report of the principal Sudder Adawlut of the second Quarter of the year 1859, which is forwarded to the Secretary to the Government of India, it appears that the Sheik Ismail Sahib was murdered on the night of the 4th of March last by certain persons unknown, while he was proceeding from the Court House to his residence in the Negapatam Fort. Information of the murder was given to the Police Station-house officer of Negapatam. Some search was made on receipt of information by the Supreme Court, but was not successful in discovering the murderers.

3. It appears to the Government proper that some provision should be made for the family of the deceased, if he had any. The Magistrate of Tanjore, to whom a reference was made for information on the point, reports that his opinion as to what would be a suitable provision, is to the effect that the deceased has left a widow aged 25 years, and two sons aged respectively 8 and 6 years. They have no means of subsistence except by receiving charity from the people in the town of Negapatam. He recommends a monthly allowance of Rupees 3 to them being granted for their maintenance, to be continued till such time as the boys come of age and are able to work for themselves.

4. I am directed to solicit the sanction of the Government of India to the grant of the pension of Rupees 3 per mensem, in consideration of the special circumstances of the case.

(Signed) T. PYCROFT,
Chief Secretary.
