Proceedings of the Madras Government, Judicial Department, from 18th to 24th June 1859.

No. 14. To the Secretary to the Government of Bombay, dated Fort Saint George, 20th June 1859, No. 848.

Mr. Pelly, late Magistrate of Bellary, in a letter, copy of which accompanies, has brought to the notice of this Government the case of certain prisoners who are now in the Bellary Jail under sentence of a Court Martial for participation in the insurrection of Moondurghy Bheemrow.

2. It appears from a reference made to the Judge of Bellary, that the number of these men is thirty-five, that they have all been sentenced to fourteen years' imprisonment with hard labor, and that they are from various places, some from Dharwar, others from the Assigned Districts or from the Districts still under the Government of His Highness the Nizam.

3. Mr. Pelly has represented that the state of the country is now quite peaceable, and these men might, he thinks, be admitted to the benefit of the amnesty without danger; as they are, he believes, for the most part but poor misguided men; and a very severe and ample punishment has been already inflicted on the many wretches, who were foolishly induced to follow Bheemrow to their own destruction.

4. The Government would be disposed to act upon this recommendation and so pardon the whole of these men; but before coming to any final decision, they have instructed me to enquire whether there would be any valid objection to this course as respects those prisoners who belong to the Bombay Presidency.

A List of the men is enclosed.
