Proceedings of the Madras Government, Judicial Department, from 18th to 24th June 1852.

No. 21. Read the following Extract from the Proceedings of the Foujdaree Udalut, under date the 14th June 1852, No. 11.

Read again Calendar of Case No. 26 of 1852 of the Session Court of Combaconum.

Read also Report dated 29th Ultimo, from the Session Judge of Combaconum, to the Precept of the Foujdaree Udalut, under date the 25th Idem, calling upon him to state whether the sentence passed upon the prisoner, in Case No. 26 of 1852, may not be brought to the notice of the Honorable the Governor with a recommendation that a portion thereof be remitted; and if he should be in favor of such course, what punishment he would propose as sufficient to meet the circumstances of the case, the Session Judge states that two years' imprisonment will be sufficient punishment for the offence.

1. As the sentence prescribed by Act V of 1843 is laid down peremptorily, the Court of Foujdaree Udalut are unable to accede to the recommendation of the Session Judge for mitigating the sentence in this case.

2. The case however being one in which the Government might very properly exercise the power conferred on them by Act XVIII of 1852 of remitting a portion of the sentence passed upon the prisoner, the Court resolve to forward the Calendar to be laid before the Right Honorable the Governor in Council, and to recommend that the sentence be reduced to 2 years' imprisonment as proposed by the Session Judge.

No. 22. Order passed, 23rd June 1852, No. 656.

Proceedings also Relegate.

As recommended by the Judges of the Foujdaree Udalut, the Honorable the Governor in Council resolves under Act XVIII, 1852, to reduce to two years' imprisonment the sentence passed upon the prisoner in Case No. 26 of 1852, on the file of the Session Court of Combaconum.

2. It will be pointed out to the Judges of the Foujdaree Udalut that their Proceedings do not specify what was the offence of which the prisoner was convicted, or what was the sentence passed—nor do they contain any general outline of the case—for all of which the Governor in Council has had to refer to the Calendar. The attention of the Judges will accordingly be requested to the orders of the 21st May last, No. 601, requiring that all reports, proceedings, &c., submitted to Government should be complete as themselves in all material points, which should not be left to be gathered from other documents.
