Proceedings of the Madras Government, Judicial Department, from 18th to 24th June 1839.

No. 40. Read the following letter from P. APPASAWMY PILLAY & Co; to the Chief Secretary to Government, Fort St. George, dated 15th June 1839.

We beg to forward the accompanying petition addressed by us to His Excellency the Honorable the Governor in Council and request you will be pleased to lay the same before His Excellency at your early convenience.

To His Excellency the Honorable the Governor in Council, Fort St. George.

The humble Petition of P. Appasawmy Pillay and Co., of Madras, Merchants and Agents.

Respectfully Sheweth,

That your petitioners in the year 1833, purchased a quantity of Sulphur imported from France at that period by a French Vessel, on speculation, part of which they disposed of to Government through the Commissariat in November following, which left about 130 candies with them which continues unsold up to the present period.

That your petitioners were subsequently unable to dispose of the remainder of the article in consequence of the prohibitionary order of Government against the sale of the said article in 1837.

That your petitioners having thereby been deprived the power of disposing of the quantity they had remaining have consequently suffered from the loss by interest on their outlay, and they conceive that if still delayed such interest will soon be equal to the principal cost and thus render them sure quite a dead loss to them, in addition to other incidental charges and godown rent.

That your petitioners most respectfully submit your Excellency in Council would be graciously pleased to grant them permission for disposing of the article they hold either by wholesale or retail as they may be enabled to effect, or that Government would purchase them at the current market rate to which they will have no objection.

That your Excellency's compliance with their request, your petitioners as in duty bound, will ever pray,

Madras, 15th June 1839. (Signed) P. APPASAWMY PILLAY & Co.
