No. 6. Read the following letter from Mr. S. R. DAWES, Acting Principal Sudr Ameen of Cuddalore; to T. PYCROFT, Esq., Chief Secretary to Government in the Judicial Department, Fort Saint George, dated 15th June 1839.

With reference to my appointment to act as Principal Sudr Ameen of this station, I have the honor to request that you will be so good as to obtain the orders of the Right Honorable the Governor in Council as to the amount of salary I am entitled to while acting in the above office.

I am induced to make this reference as the Civil Auditor informs me that no deduction has been made from the salary of the permanent incumbent, he being on privilege leave; and that "there are no funds available to grant me any acting allowance without the special orders of Government."

No. 7. No. 606.

Report of the Civil Auditor on the application of Mr. S. R. DAWES, enquiring what salary he is entitled to while acting for the Principal Sudder Ameen of Cuddalore.

1st. The Civil Auditor has the honor to report that under the Rules Mr. Dawes is entitled to half salary of his acting appointment and half of his permanent one; the Principal Sudder Ameen however having obtained privilege leave without being informed that he would be subjected to the forfeiture of half salary would doubtless consider himself aggrieved were it now to be enquired of him; but as privilege leave can only be granted when no extra expense to the State accrues, it rests with the Government either to enforce the provisions of Art. 16, Chapter III of the Civil Auditor's Manual which rules "that all charges incurred by the absence of an "Uncovenanted Servant inclusive of travelling charges of the person appointed to do his duty "are borne by the Absentee," so as to make a special exception in the case, for had the Principal Sudder Ameen been aware that his taking leave would be so prejudicial to his interest, it is a question whether he would have availed himself of it.

(Signed) J. L. LUSHINGTON,
*Civil Auditor.*

To the Chief Secretary to the Government of Fort Saint George.

No. 8. ORDER passed, 25th June 1839, No. 603.

The Governor in Council resolves that the deputation allowance to be drawn by Mr. Dawes as Acting Principal Sudr Ameen of Cuddalore under his appointment of the 19th Ultimo, be borne by the Fixed and that no deduction be made from the salary of the actual incumbent on that account.

2. In order however to prevent the occurrence of such cases, he further resolves to communicate these papers to the Board of Sudr and Foujdaree Adawlut to request that they will communicate to all Uncovenanted Judicial Officers the Rule enforced by the Civil Auditor, viz., that no additional expense is to any account to be incurred by the absence of any Uncovenanted Officer on leave, and consequently that all charges which may be so incurred inclusive of the travelling charges of the person appointed to do the duty cannot be borne by the absentee.

3. This Resolution will be communicated to the Revenue Department for information and for the issue of any orders that may be necessary.
