*Proceedings of the Madras Government, Judicial Department,
from 2nd to 8th July 1859.*

No. 7. Read the following letter from J. D. ROBINSON, Esq., Commissioner of North Canara ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated Camp Sircee, 13th June 1859, No. 305.

1. I had scarcely posted my letter, No. 303, to your address when a private communication from Captain Schneider was put into my hand in which occurs the following passage—

“ There is no doubt but the Sattri gang with our old friend Deepa is at the bottom of the present business, in so far that it has not only his support but that of many others, and until some counter current is set going, you may hunt the jungles for ever and a day.”

2. Captain Schneider's knowledge of Goanese men and things I do not suppose any Officer on this side of India will attempt to dispute.

3. So far as I am myself concerned, I would gladly have heard that any predictions had turned out all His Excellency the Governor General would wish to have them considered, rather than that they should thus receive a confirmation which so infinitely complicates the difficulty of the situation.

No. 8.

ed, I would gladly have heard that
any predictions had turned out all His
Excellency - the Governor General would
wish to have them considered, rather than
that they should thus receive a confirmation
which so infinitely complicates the diffi-
culty of the situation.

I have the honor to be,
