*Proceedings of the Madras Government, Judicial Department,
from 2nd to 8th July 1859.*

No. 61. Read the following letter from C. W. READE, Esq., Agent to the Governor of Vizagapatam; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th June 1859, No. 313.

I am honored with the orders of Government, No. 819, dated 13th Instant, Judicial Department, recorded on review of my report of my recent visit to Jeypore.

2. I have intimated to Captain Flint, the resolve of Government declining to sanction his proposal to rent the lower talooks of the Zemindary, and so far as concerns Captain Flint's own interest, I cordially acquiesce in the Government refusal, as I have all along been of opinion that the experiment to himself was a hazardous one, though I still venture to maintain that every other interest would have benefitted.

3. Government have not favored me with any instructions respecting my own relinquishment of the management of the lower talooks in trust for the Rajah, as desired by him, and I presume I am to read their silence on this point as a tacit authority for continuing that management, and no doubt for the interests of the Zemindary it is the best and wisest arrangement. Until therefore the question is again openly mooted by the Rajah, I will not move in it, but at a fitting opportunity I will simply apprise him that the Government have for the present postponed a consideration of my report.

No. 62.

ORDER THEREON, 8th July 1859, No. 941.
