*Proceedings of the Madras Government, Judicial Department,
from 23rd to 29th July 1859.*

No. 1. Read the following letter from W. ROBINSON, Esq., Chief Commissioner of Mofussil Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th July 1859, No. 11.

10th June 1859.
29th do. do.

I have the honor, in continuation of my letters of dates as per margin, to report that Mr. Jacobsz, late of my office, has been convicted of larceny and sentenced to 12 months' imprisonment.

The public money embezzled amounts to Rupees 104-6-3, I solicit the orders of Government on this subject. The sufferers by the fraud have all been paid by me.

An error of fact appears in the Judgment of the Court, as reported in the local papers. The defalcation was discovered on or about the last day of May or 1st of June, and Mr. Jacobsz's pay for May was received after the fraud had been fully established. I therefore, ordered it to be kept on deposit, pending the issue of the trial and orders of Government. It amounts to Rupees 55; and lies in the Madras Bank; but has not been deducted from or made use of as an off set against the loss, as supposed by the Judge. The amount is still on deposit, and I solicit the orders of Government on this point likewise. At the same time, I venture to recommend that I may be permitted to place it at the disposal of the Convict's wife.

The duty for which the Government had accorded to me the services of Lieut. Tennant being completed, I request orders as to his future proceedings. He has been through the whole District of Salem; and I believe his presence had a beneficial effect, but if action is at once to be taken in North Arcot, I purpose proposing to Government, that he be placed temporarily under Captain Hearn, since not only would the operations be greatly expedited, but he would be acquiring information which would be most useful in extending the organization, were he employed in aiding the work in North Arcot.

MINUTE by the HONORABLE the PRESIDENT, dated 19th July 1859.

The Government must bear the loss, minus the balance of the Convict's salary, which must be carried to the Public Account. Lieutenant Tennant may be employed as proposed.

(Signed) C. E. TREVELYAN.

No. 2. ORDER THEREON, 23rd July 1859, No. 989.

The money will be paid to the
petitioner as soon as it is paid to
them.
It is also to be paid to the
petitioner.

Orders are requested to the Comptroller
to be taken regarding the amount
embodied by Jacobson - R 104-6-3.
That is whether it is to be paid to the
petitioner or on the notes as a
loan. There seems no other alternative.

This it seems from a previous
letter is exclusion of the money embodied.
The money is to be paid to the
petitioner as soon as it is paid to
them. It is also to be paid to the
petitioner as soon as it is paid to
them. It is also to be paid to the
petitioner as soon as it is paid to
them.

As Jacoby did duty to the end
of May he is I conclude entitled
to his pay for that month & it

might as proposed be paid to
his wife —

Since June and might also
be paid to the Rev. Mr. Robinson

known is previous to push on
