No. 81. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 8th August 1860, No. 88.

I have the honor to inform you that for some time past at the request of the Surgeon of the Establishment, I have been urging the Barrack Master to procure the removal of the night-soil from the Penitentiary, where it has accumulated to a considerable quantity. In margin is exhibited, the last letter which I have received on this subject from that Officer, in which you will find he urges me to obtain the Orders of Government on the question, as he has neither establishment nor money at his disposal for extra duties of a Civil nature.

2. Being of opinion that all the night-soil should be removed daily from the general privy, as well as from the sinks and wells, and finding there is no chance of procuring its removal by any of the executive authorities, I beg you will favor me by soliciting the Honorable the Governor in Council to permit me to purchase for that purpose, a night-soil Cart, and to enter into a contract for the daily removal of the daily deposit, charging for the same in my Contingent Bill monthly.

3. The cost of a Cart such as is in use by the Municipal Commissioners, is sixty Rupees, and the probable expense of removal of the soil by contract, will not exceed Rupees 25 per mensem.

"I have the honor to acknowledge the receipt of your letter of the 26th, and in reference to mine of the 9th July, in which I state, "I have addressed Government on the subject," I beg to inform you, that owing to the representation having been made to the Military Department and subsequently withdrawn, I am at a loss how to arrange for the cistern being cleansed, and what is of more consequence how the Bill for the scavengering is to be adjusted, as my Indent has not been passed, the Penitentiary being a Civil Establishment and not under the Military authorities.

I beg the favor of your obtaining the Orders of Government on the question, as I have neither an Establishment or money at my disposal for extra duties of a Civil nature."

Fort Saint George, 27th July 1860.

No. 82. ORDER THEREON, 11th August 1860, No. 1,010.
