Proceedings of the Madras Government, Judicial Department, 13*th August* 1860.

No. 91. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 8th August 1860, No. 90.

1. I have the honor to submit for sanction a Bill in which is given the contract cost of providing 4 carts load of water daily for the use of the prisoners at the Penitentiary for 9 days during the month of July, at the rate of Rupees 23 per month, incurred in consequence of the Commissary General, by whom drinking water was previously supplied, (Vide Extract from Minutes of Consultation, dated 7th July 1858, No. 916, Judicial Department,) having informed me that on a certain date he should cease to do so, previous to which I had the honor to receive from him copy of letter which is in margin given.

To the Commissary General.

Sir,

In reply to your letter dated 14*th instant, No.* 1,268, *asking how the supply of Bullocks to several places is to be met now the establishment is reduced ; I have the honor to say that the number allotted to Madras, namely* 66, *will serve for the purposes of the Camp Equipage Depôt, General Hospital, the Mount and Poonamallee, but that the Gun Carriage Manufactory, Grand Arsenal, Guindy Park, and Penitentiary being Civil Establishments, cannot be provided for out of the Military Establishment ; and they must therefore provide themselves at their own charge on hire. One object in reducing the Cattle Establishment was to keep within the mark of Military requisitions, in order that the charge on the State might be confined strictly to Military supplies.*

Acg. Quarter Master Genl. of the Army.
