REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 1st August 1860, No. 422 :—

1. On the joint recommendation of the Acting Collector of Kurnool and the Inspector General of Mufassal Police, I have the honor to request the sanction of Government for five Táluqs Magistrates at the following stations, at an aggregate cost of 420 Rupees :—

Station.	Táluq.	Distance from Kasba.	Class.	Establishment.	
		Miles.		RS.	
1 Kurnool	Ravalacotah	18	3	84	
1 Peapally	Putticondah	19	3	84	
1 Kalva	Nundyal	24	3	84	
1 Atmakur	Nundicotkur	25	3	84	
1 Dupâd	Dupâd	15	3	84	Para. 5 from Kurnool, 26th June 1860.
				420	

See para. 3 *of Letter dated 26th June* 1860, *No.* 606.

2. Mr. Thornhill who was lately in charge of the District proposed ten Táluq Magistrates, but Mr. Minch in is of opinion that the number now proposed is sufficient.

3. Kurnool is a large town ; Peapally, Kalva and Atmakur, are in Táluqs of large dimensions requiring local Officers at these places ; Dupâd is not the Kasba of that Táluq which is Markapur. Mr. Minchin proposed at first to change the Kasba to Dupâd, which is central, and in which case a Táluq Magistrate would not

From Kurnool, dated 24th July 1860, *No.* 112. be required, but he subsequently recommends that Markapur, the present Kasba should be retained, as it is the most important place of the two, and because there is a Kacherí there, and there is none at Dupâd. Markapur is, however, situated quite in the corner at the extreme end of the Táluq. It was more central while the

Order of Government, dated 2nd June 1860. villages which have now been transferred to Nellore belonged to this Táluq. But it must fromi ts position be inconveniently situated for the Táluq generally. It is, however, of greater importance though the difference between the two places is not very great.

	Population.	Revenue.
Markapur	3,440	4,160.
Dupâd	1,450	2,790.

But as the Collector is in favor of retaining the present Kasba which has been established for a long time, I beg to recommend that, as proposed by him and Mr. Robinson, a Táluq Magistrate be given to Dupâd ; should Government, however, think that the Kasba should be changed to Dupâd, I think a Táluq Magistrate should be given to Markapur.

4. As the new Police was expected to be introduced into the town of Kurnool from this date, Mr. Minchin has requested permission to retain the

Letter, 21st July 1860, *No.* 110. office of the present Police Amín with an Establishment of a third class Táluq Magistrate from this date, pending the receipt of the Orders of Government on the general application for Táluq Magistrates now submitted. As the retention of such an Officer in the town of Kurnool is stated to be indispensable, I trust the Government will sanction the course proposed by the Officiating Collector.

ORDER THEREON, 10th August 1860, No. 1,330. 107 & 108

1. In this letter Mr. Pelly states the number of Táluq Magistrates which he considers necessary for the District of Kurnool; but the information supplied on the subject is very scanty. The following particulars should be supplied in this and in future similar cases; the population of the place where a Magistrate is proposed to be located; the number of villages to be under him, and their population; the name of the Kasba of the Táluq; and its distance from the proposed location of a Sub-Magistrate; whether the appointment would be new, or only the continuation of a former one, either as Tahsíldár or Police Amín.

2. It is requested also that the Táluq Map of the District may be submitted.
