No. 191. Read the following letter from B. CUNLIFFE, Esq., Collector of Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Saidapet, 17th August 1860.

With reference to paragraph 4, Government Proceedings, 6th instant, No. 973, I have the honor to forward a Statement, showing the receipts and disbursements on account of the Town Market since 1857.

The balance, after payment of bills countersigned by the Commissioner of Police, has been credited to Government. When I stated to the Chief Engineer that I held the Stall collections at the disposal of the Commissioner of Police, I had supposed, erroneously, that they had been dealt with in a similar manner as the Local Fund from the grazing contracts.

No. 192. ORDER THEREON, 27th August 1860, No. 1,083.

Rents collected.....				*Rs.* 15,660	14 0

The Collector of Madras submits a Statement of receipts from Stall rents, and disbursements on account of the Town Market, during three years, from July 1857 to June 1860, and reports that the surplus, amounting to eleven thousand seven hundred and ninety-seven Rupees and fourteen Annas, has now been credited to Government.

2. Resolved that the Collector be directed to make no more disbursements to the Commissioner of Police out of the Stall Rents of the Market, but to carry the full amount collected to the credit of Government.

Extract Minutes Consultation, 20th March 1858, No. 369.

3. It will be pointed out to the Commissioner that the Market establishment has been fully sanctioned by the Government of India, and that their pay should be drawn in the usual way *i. e.* from the General Treasury on abstracts passed by the Civil Auditor. Extra items, if any, should be charged for in Contingent Bills, and Clothing Estimates submitted for sanction separately.
