PROCEEDINGS OF THE MADRAS GOVERNMENT.

ead the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 13th August 1860, No. 450 :—

SIR,

1. With reference to paragraph 4 of the Order of Government dated 4th August 1860, No. 1,299, declining to allow the Joint Magistrate at Saint Thomas' Mount an increased Establishment recommended by me, without further

rom Collector, dated 16th June 1860, No. 545.

use being shown, I have the honor to state for the information of Government the following ircumstances.

2. The Magistrate Establishment hitherto maintained consists only of a Writer and two Gumáshtas at a cost of Rupees 38-8-0,* but this is independent of the Police Establishment amounting to Rupees 333 per month, under the Cantonment Officer as a Superintendent of Police which is now transferred to the new Police. The Collector recommended that the Joint Magistrate should have the same number of hands as he has now, but that their pay should be raised to Rupees 62-8-0. In this no provision was made for other Office servants. When the Cantonment Officer was a Superintendent of Police, he had a large Establishment with a number of Peons at his entire disposal, and probably did not then want any separate Peons for the Magistrate Department. Now that the Police Establishment has been dispensed with, it is necessary that the Joint Magistrate should be provided with a complete Establishment.

3. I allowed the same number of Clerks as at present existing with the salaries proposed by the Collector, except in the case of the third Clerk, whose pay I reduced from 17½ Rupees to 15, that it might correspond with the rates proposed for other Subordinates. To complete the Establishment, I provided a Dufterbund on 7 Rupees, one Peon on 6 Rupees and a Sweeper on 5 Rupees; and this addition costing 18 Rupees, raised the sum recommended by the Collector to 78 Rupees.

4. The salaries at present allowed to these Clerks are certainly very low in comparison to the rates of pay proposed in the new scheme to the servants of a similar grade under the Head Assistant and Deputy Collectors and Magistrates. The Joint Magistrate strongly urged the necessity of raising the salaries of his Clerks and the Collector supported it. Mr. Cunliffe in his letter of 16th June 1860, while recommending an increase of pay to the Clerks of the Joint Magistrate, observes that: "His functions as Superintendent of Police have ceased, but it is "supposed that the cases formerly falling in that capacity will now come before him as Joint "Magistrate. He would appear then to have a fair amount of work and sho uld have proportionately strong Establishment."

5. On general considerations it appeared to me that these servants should be placed on the same footing as those of the other Subordinates in the new scales; and the Government will see that the increase over the sum recommended by the Collector is owing to the addition made by me of the necessary Office servants. In this scale I allowed only one Peon, but after considering similar Establishments for other Cantonments, I am now of opinion that two Peons at least should be given, and this will increase the Establishments formerly proposed by me from 78 Rupees, to 84 Rupees. I have fixed this as the standard Establishment for the Joint Magistrates in the Military Cantonments; and with this explanation I beg to submit it for the

consideration of Government, and trust they will be pleased to sanction the sum of Rupees 84 for the Establishments of Joint Magistrate at the Mount also. The particulars are as follows:—

		Rs.
1	Clerk	25
1	Do.	20
1	Do	15
1	Dufterbund	7
2	Peons, at 6 Rupees each	12
1	Sweeper and Lamp-lighter	5
		84

ORDER THEREON, 23rd August 1860, No. 1,419.

For the reasons stated by Mr. Pelly, the Government sanction the increased Establishment recommended by that gentleman for the Joint Magistrate at Saint Thomas' Mount at a charge of Rupees (84) Eighty-four a month.
