No. 244. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 21st August 1860, No. 96.

"In returning passed the accompanying 2 Bills, as per margin, I have the honor to request that you will be good enough to apply to Government for the sanction of the Government of India to be obtained for the Establishments in question, such sanction being necessary to admit of the continued audit of the charge."

Pay of the Extra Peons watching at the Mint for July 1860	147	0	0
Pay of the establishment of the Extra Force for July 1860	30	0	0

1. I have the honor to give in margin, copy of a letter to my address from the Acting Civil Auditor, dated 14th instant, and request that you will be good enough to move the Honorable the Governor in Council, for the sanction of the Government of India being obtained for the Establishments in question.

2. The Police Force now employed at the Mint was sanctioned by Government on the 26th May 1857, and placed at my disposal under the Orders of Government, dated 18th June following, No. 349, Financial Department.

3. The Extra Force consisted originally of

5 Daffadars,
5 Naigues, and
100 Peons,

formerly Sepoys in the Canatic Circar. This Force was raised by Order of Government, under date 11th July 1857, No. 807, Judicial Department. Since that time all have been disposed of in various ways, excepting

1 Naigue, and
3 Peons,

who no account of their being unfit for transfer to the effective Force on account of age, &c., have been retained in pay, under the Order of Government of date 29th May last, No. 659, Judicial Department.

4. A Tabular Statement in the prescribed form is herewith forwarded for submission to the Government of India.

No. 245. ORDER THEREON, 31st August 1860, No. 1,115.

The Government resolve to forward the tabular application submitted by the Commissioner of Police, and to request the Government of India to sanction the Police guard at the Mint permanently, and the retention of the Extra Police Force as long as the four men composing it, are able to perform duty. Pending the receipt of their sanction, special orders will be given to the Civil Auditor to continue passing the Pay Abstracts of both Establishments.

				1 Daffadar... ... ... 11 0 0	1 Daffadar... ... ... 11 0 0							Under date the 23rd June 1857, this Government recommended the entertainment of an additional number of 19 Peons in the Madras Mint at an aggregate monthly salary of Rupees 147, their services being urgently required to relieve the Military Guard from the duty of watching outside the walls of the Mint, and to ensure greater safety to the very valuable property in the Mint. The Government of India, 7th August 1857, sanctioned the addition as a temporary measure. These Peons have accordingly been entertained from that time to the present. They are supplied from the general Police force for the Town of Madras which has been augmented by that number of men for the purpose—it being considered that a force relieved daily would be better and less likely to be in collusion with the Mint Servants, than a special force always employed on Mint duty.

				1 Naigue... ... ... 9 0 0	1 Naigue... ... ... 9 0 0							In the year 1857, the Madras Government authorized an addition of 5 Daffadars, 5 Naigues and 100 Peons to the ordinary Police for the Town of Madras, to be raised from the disbanded Soldiers of the late Nawaub of the Carnatic.					
				3 Peons at 7 Rupees each... ... ... 21 0 0	3 Peons at 7 Rupees each... ... ... 21 0 0							This arrangement was ordered for the double purpose of adding to the strength of the Civic Guard at a time of popular excitement, and of providing employment and pay for some members of a body who from recent events were not well affected to Government, but it does not seem to have been reported at the time to the Government of India.					
				Rupees 30 0 0	Rupees 30 0 0							All these 110 men have now died, been absorbed into the regular force, or been discharged on gratuities, except four, viz., 1 Naigue on 9 Rupees and 3 Peons at 7 each per mensem or in all Rupees 30 monthly. These four men are not fit to be drafted into the regular Police though available for light duty as Extra Peons. It is requested that their retention as such may be sanctioned, so long as they can perform duty.
