Proceedings of the Madras Government, Judicial Department, 7th September 1860.

No. 37. Read the following letter from Messrs. GRAVES and Co., to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 25th August 1860.

We beg to acquaint you for the information of Government, that having purchased the copyright, we are now conducting a *second* edition of "the Rulings of the Sudder Udalut," as compiled by S. Vejiaragavooloo Chetty, through the Press, the first edition having been already disposed of, and we respectfully solicit the patronage of Government in encouragement of the undertaking.

The value of so important a work in assisting the Revenue and Judicial Officers of Government to arrive at correct decisions on questions of the greatest consequence to the well-being and happiness of several thousands of the inhabitants of this country, who are entirely dependent on them for the correct and satisfactory exposition of the Law, in matters affecting their best and nearest interests, is so obvious, as at once to commend the work to the support and favorable countenance of Government.

We therefore trust that the Government may be induced liberally to sanction the purchase of a large number of copies of this edition for the use of their Officers both in the Revenue and Judicial Departments.

The price is, as formerly, Rupees 5 per copy.

No. 38.

ORDER THEREON, 7th September 1860, No. 1,148.

The Judges of the Sudder Adalat are requested to state whether they require any more copies of the work, a second edition of which Messrs. Graves and Co. are about to publish.

(Signed) T. PYCROFT,
Chief Secretary.
