PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 22nd August 1860, No. 4,035:—

SIR,

With reference to Proceedings Madras Government marginally noted, regarding the delay in the construction of the Salem Jail and Court Houses, I have the honor to state for the information of Government that, on receipt of the District Engineer's letter proposing that Acting Overseer Barringer should be placed under the Salem Range Officer for the purpose of superintending the construction of the Jail and Court Houses at Salem, an enquiry was ordered by me as to whether the District had its full complement of Upper and Lower Subordinates, and whether his (Mr. Barringer's) place could be supplied from any other District, should he be appointed to this duty, but I am sorry to say that, through some oversight, the Uncovenanted 2nd Assistant, to whom the District Engineer's letter was given for the purpose of obtaining the above information, mixed the letter with some others, and apparently forgot the matter altogether, until the receipt of the Proceedings of the Madras Government under reply. Instructions, however, have this day been forwarded to the District Engineer, to place Acting Overseer Barringer under the [illegible] Range Officer, Mr. Eaton, for the superintendence of the construction of the Jail and Court Houses, and to supply his place in the Tripatore Táluq by some other Subordinate, as it is found that he has his full complement of Subordinates, and that there is really no other person available.

No. 1,765, dated 21st August 1860.

No. 35, dated 25th June 1860.

ORDER THEREON, 30th August 1860, No. 1,845.

Ordered to be communicated to the Judicial Department with reference to Proceedings in that Department, dated 15th August 1860, No. 1,028.
