## *Proceedings of the Madras Government, Judicial Department, 14th September* 1860.

No. 91. Read the following letter from A. WEDDERBURN, Esq., Officiating Magistrate of Cuddapah, to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated 6th September 1860, No. 25.

With reference to paragraph 2, Government Order No. 2,994, dated 17th August 1860, requesting to know whether—the Military guards furnished by the 3rd Extra Regiment having been relieved by the new Police—the presence of a Military Detachment can be now dispensed with at Cuddapah, I have the honor to state that the new Police is not in such a state of organization, as to lead me to recommend the withdrawal of the Military Detachment.

2. It is true that the Treasury, Jail and Town of Cuddapah are guarded by the new Police, but the recruits are still under training, and a considerable portion of the reserve force is occupied at present, in a treasure escort. There is, I believe, an unavoidable delay in the supply, from the Ordnance Department, of Arms and Accoutrements, and I have the authority of the Superintendent of the Cuddapah Police in stating that he is unable, at present, to extend the sphere of his operations, for want of Arms and Equipments.

3. I consider therefore that the location of a Detachment for the following six months at least, is required as a proper precaution, for the peace of the District.
