1886

Proceedings of the Madras Government, Judicial Department, 15th October 1860.

No. 106. Read the following letter from G. THORNHILL, Esq., Acting Magistrate, Kristna District, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Masulipatam, 4th October 1860, No. 386.

Adverting to paragraph 5 of the Proceedings of the Government dated 18th ultimo, No. 1,198, I have the honor to forward a translated copy of an application from T. Subaroydu a merchant of the Masulipatam Town, requesting a License to remove 10½* putties of Sulphur to the said Town, and sell it for making fireworks. The Sulphur was forwarded to him from Pondicherry as per accompanying Manifest. The merchant has been in the habit of dealing in that commodity. I therefore request the sanction of Government to grant him a License to sell Sulphur under Section VIII of Act XXXI of 1860.

* 210 *maunds.*

The abovementioned Sulphur is kept in the Sea Custom Office pending the sanction of Government.

Translation of an application from Tadapalli Venkata Subbaroydu, a Merchant of Masulipatam, dated 29th September 1860, *to the Sea Custom Superintendent.*

210 *maunds.* A quantity of 10½ putties of Sulphur having been brought to me from Pondicherry by sea on a vessel called "Neelayatachy" belonging to one Katapilli of Peringhy Pett or Port Novo, I delivered the Manifest thereof and paid the Sea Custom duty thereon. I therefore request that a License may be obtained for me from the Collector and Magistrate in order that I may remove the article to the Masulipatam Town and sell it for making fire-works, &c.

(Signed) T. VENKATA SUBBAROYDU.

(True Translation.)

(Signed) G. THORNHILL,
Acting Magistrate.

No. 107. ORDER THEREON, 15th October 1860, No 1,338.

It is not explained whether the 210 maunds of Sulphur referred to in the above letter are Madras maunds of 25 lbs. each or Indian maunds of 82 lbs., but even upon the former supposition the quantity would be no less than 5,250 lbs.

2. The Government are not prepared to authorize the issue of a License for the sale of so large a quantity at least without further information. They request to know who are the parties to whom T. Soobaroydoo wishes to sell the Sulphur, in what quantities, and at what times he will sell it, and what security the Government can have that the Sulphur will really be applied to the manufacture of fireworks and to no other purpose.

3. Pending the reply to this reference, the Sulphur will continue in the custody of the Magistrate.

(Signed) T. PYCROFT,
Chief Secretary.
