Proceedings of the Madras Government, Judicial Department, 24th October 1860.

No. 161. Read the following letter from C. F. CHAMIER, Esq., Registrar of the Sudder Court, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 15th October 1860, No. 87.

1. With reference to the Order of Government dated the 19th January last, No. 72, conveying the sanction of the Supreme Government for the temporary employment, for one year, of 4 Gomastahs to assist in arranging the records of the Civil and Session Court of Calicut, I am directed by the Judges of the Sudder Court to state that the Civil Judge has requested sanction for the continued employment of the Gomastahs for at least 2 years on the salaries formerly sanctioned, and for the entertainment of two attendants for the Record room on Rupees 4 each per mensem.

2. The Civil Judge states that the 4 Gomastahs who were entertained on the 1st December last, have only succeeded in destroying the whole of the records of 1 District Moonsiff's Court and partly of another, and that the 2 attendants are required to replace two of the batta peons who were formerly employed in the Record room, but whose services have been dispensed with in accordance with the Circular instructions of this Court strictly prohibiting the employment of batta peons in any other manner than in serving Judicial processes. The Civil Judge adds that as there are 14 Moonsiffs under his jurisdiction from whom records are almost daily received, it is quite impossible, without the additional aid applied for, to carry on the business of the Record room.

3. The Judges are of opinion that the services of these additional servants are absolutely necessary, and accordingly beg to recommend the temporary employment of 2 attendants on Rupees 4 each per mensem, and the continued employment of the 4 Gomastahs for a further period of 2 years; but in order to prevent the Gomastahs being employed for any longer period than is absolutely required, they will instruct the Civil Judge to parcel out the work to the Gomastahs and to confine them strictly to the work for which they have been entertained, and they will also require the Civil Judge to report to them every six months what progress has been made in clearing off the business in the Record room of his Court.

No. 162. ORDER THEREON, 24th October 1860, No. 1,374.

The Tabular application submitted with this letter, will be forwarded to the Government of India for sanction.

2. The Judges of the Sudder Court will take the steps proposed by them, to ensure steady progress being made, in clearing off the arrears in the Record room of the Calicut Court.

Chief Secretary.

Without this additional aid, the Civil Judge thinks it quite impossible to carry on the business of the Record Room. 3. In recommending the continued employment of the Gomastahs and the entertainment of the Attendants for the period specified, as absolutely necessary, the Judges of the Sudder Court state that in order to prevent the Gomastahs from being employed for any longer period than is indispensably required, they will instruct the Civil Judge to parcel out the work to the Gomastahs, and to confine them strictly to the duty for which they have been entertained. The Civil Judge will also be required to report every six months what progress has been made in clearing off the business in the Record Room.

4. This Government support the recommendation of the Sudder Court, and solicit the sanction of the Government of India, for the continuance of the temporary establishment and for the proposed increase to it.
