Proceedings of the Madras Government Judicial Department, 29th October 1860.

No. 191. Read the following letter from W. ROBINSON, Esq., Inspector General of Madras Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 19th October 1860.

1. A very daring and serious gang robbery took place in the French Territory of Pondicherry about 6 weeks ago. The robbers were in part inhabitants of British Territory, in part of French Territory. The jurisdiction lies with the French Courts.

2. The new Police of South Arcot have been very successful in tracing out and bringing the offenders to justice: and Vengetasamy Nayadu, Inspector of Police, particularly distinguished himself by the vigor and intelligence with which he treated the case, and secured the conviction of a large number of the ruffians. His conduct has given great satisfaction to the French Authorities.

3. His Excellency the Governor of the French Settlement Admiral D'Ubraye, C.L.H., has further kindly signified his wish to mark his approbation of the Inspector's service, by procuring for him a Medal. And he has written to ascertain whether there would be any objection to his conferring it. I consider that the gift of such mark of satisfaction gives pleasure to the giver, and I am glad to see them conferred; as these distinctions give spirit to the whole body to which the receiver belongs. I have therefore stated that I consider that there be no objection to his receiving the distinction. I have likewise expressed my approval of the Inspector's conduct, and shall, I hope, be able shortly to promote him.

I report the circumstances, in case any serious errors of judgment have been committed by me.

No. 192. ORDER THEREON, 29th October 1860, No. 1,394.

The Government have learnt with much pleasure the good conduct of the South Arcot Police and of the Inspector Vengetaswamy Naidoo in particular, on the occasion reported by Mr. Robinson. There can be no objection to the latter Officer accepting the Medal which His Excellency the Governor of the French Possessions in India has so handsomely given him.

2. On any similar case hereafter occurring, the Inspector General should however refer to Government before sanctioning the acceptance of such a decoration.

Chief Secretary.
