			Rupees...	331	8	0	Rupees...	340	8	0	9	0	0															The grounds assigned for this proposal are the high prices of provisions at Ootacamund, and the insufficiency of the pay fixed for the Deloyets and Peons. One Peon resigned, and weeks elapsed before his place could be supplied. The rest of the Peons have represented their inability to continue in their situations on their present allowances. The Sudder Adalat consider the proposed increase necessary—the Government believe, that looking to the climate of the Neilgherries and the expence of living there compared with the plains, that it really is so. They accordingly recommend it for sanction.	Favorable.
