*Proceedings of the Madras Government, Judicial Department,
2nd November 1860.*

No. 9. Read the following letter from C. HUGH LUSHINGTON, Esq., Secretary to the Government of India, to the Chief Secretary to the Government of Fort Saint George, dated Fort William, the 9th October 1860, No. 10,431.

Financial Department.

In forwarding to you the accompanying letter, No. 923, dated 24th August last, from the Officiating Civil Auditor, Madras, I am directed to request that you will submit for the information of this Government, a Tabular Statement showing the actual cost of the new Mufussil Police of the Madras Presidency, as sanctioned by the Government of that Presidency for the several Districts in which the new Police has been introduced, together with the details of the Establishments entertained up to the latest date.

From W. BALMAIN, Esq., Officiating Civil Auditor, to C. H. LUSHINGTON, Esq., Financial Secretary to the Government of India, dated Fort Saint George, 24th August 1860, No. 923.

I have the honor to report for the information of the Supreme Government that, for some months past, in consequence of the introduction of the new Mufussil Police, the amount audited for the pay of the new Police and for the Magisterial Establishment (in part or in the whole) formerly entertained is far in excess of the total sum formerly sanctioned. Each month the Madras Government issue orders for the audit of the cost of the new Police in the Districts (now 15 in number), in which it has been introduced and Bills are passed within the amount specified. These Bills, however, are submitted in aggregate and do not show the detail of Establishment. In addition to the sums passed on account of the pay of the Police, 24,000 were passed last year on account of uniform, &c., this year 58,000 Rupees have been audited on the same account and a further sanction for Rupees 30,000 has been given.

I am aware that the introduction of the new Police has been sanctioned by the Government of India, and that they must be aware that increased cost is being incurred; but with reference to the Order of February 14th, 1860, I think that this Office should have some general authority for passing the Bills and have, therefore, the honor to draw the attention of Government to the subject.
