EXTRACT from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Home Department, under date the 4th November, 1861.

READ a letter from the Secretary to the Police Commission, No. 221, dated the 12th ultimo, submitting for consideration a Memorandum regarding the proper manner of adjusting the charge for Police furnished as watchmen to public Offices and Departments, together with a letter from the Chief of the Military Finance Department intimating his concurrence in the proposal contained in the Memorandum.

RESOLUTION.—The Governor General in Council approves of the plan proposed in Lieutenant-Colonel Bruce's Memorandum, and is pleased, in conformity with it, to pass the following Rules, and to direct that they be generally adopted throughout India:—

1. The Chief Officer of Police in any District or Town who is required to supply any Public Department or Office with Police, shall charge to such Department or Office the actual pay of the grades furnished, with an additional charge of 10 per cent. on the amount of the Bill towards the expense of European supervision, cost of arms and accoutrements, clothing, &c.

2. Bills for the cost of the Police supplied shall be presented at the end of every month to the Head of the Department or Office employing them, and such Bills shall be paid *in cash* on or before the 15th of the ensuing month.

3. The whole of the Police employed and paid and their cost will be shown in the Monthly Police Abstracts, and the sums to be received from the different Departments will be deducted from the Abstract, the balance only being drawn from the Treasury.

4. Cash payments being considered essential as a check upon the Departments employing Police, no Bill for Police supplied, though countersigned by the Head of a Department or Office, should be accepted in the Police accounts as a voucher for a charge. The Police Abstract, though exhibiting the whole number of the Police employed on whatever duties during the month, will charge for, and will be passed only for the fixed amount sanctioned by Government, cash receipts being shown for all additional Police supplied to other Departments.
