Proceedings of the Madras Government, Judicial Department, 9th November 1860.

MEMORANDUM.

The Palakonda Prisoners were committed by Warrant to the custody of the Magistrate of North Arcot in September 1833, to be placed under personal restraint at Vellore, and transferred to the Paymaster of Stipends in October 1833, cause of restraint not on the records of this Office, and as they are well behaved people, I would recommend that they may be released from restraint and sent to their country.

The Cuttack Prisoners are the relatives of the late Raja Pilla alias Lachmi Narain Bunge, who was sent to Vellore in July 1856 to be kept under surveillance, for having raised the standard of rebellion in Gumsûr 1846; they are very quiet and well behaved people, and I would recommend that they may be released and sent to their country.

The Gumsûr Zamindar's family who have been at Vellore as Prisoners since 1837, might also be released and permitted to return to their country; they are well behaved people, but the male prisoner Balabadra Bunge, appears to be slightly deranged and refuses to receive his allowances since April 1860.

With regard to Hyder and Tippû's family, they have been confined in the Mahals since 1800, their conduct has been very good, and as the whole of them are old and infirm, I have nothing particular to say regarding them.
