Proceedings of the Madras Government Judicial Department, 12th November 1860.

No. 100. Read the following letter from G. THORNHILL, Esq., Acting Collector Kistna District, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Masulipatam, 27th October 1860, No. 444.

I have the honor to acknowledge the Proceedings of the Government, dated 15th instant, No. 1,333, calling for further information relating to a License for the sale of Sulphur, and in reply beg to forward translation of a deposition taken from the applicant T. Soobbaroyudu stating his readiness to enter into an agreement to sell the Sulphur only to such persons and in such quantities as may be authorized by the Magistrate.

2. He is also willing to leave the greater portion of it in charge of the Officers of Government, receiving such quantities as he may require to meet demands from time to time.

3. Permits for purchase will, of course, only be granted after due enquiry, as to what the Sulphur is required for, and with these restrictions, I do not apprehend any risk of the article being disposed of for improper purposes.

4. The quantity is 210 Madras maunds of 25 lbs. each.

Translation of a deposition given by Tadapalli Venkatasubbaroyudu.

I will sell the 10 putties of Sulphur that I have received from Pondicherry on board a vessel, to such persons as may have obtained permission and passports of the Circar. Persons thus getting passports will specify in their applications the quantity of the Sulphur, and the time, together with the purpose for which they require it; Passports being given them by the Circar accordingly, I cannot give those particulars beforehand.

As I will not sell the article to any person such as manufacturers, &c., of fireworks without permission of the Authorities, I cannot be called on to tender any security, but I will give in an agreement to the effect that I will not sell any Sulphur without permission of the Authorities.

Should it be not considered convenient to release to me the entire quantity of Sulphur now imported, I beg that two casks thereof may be permitted to be taken by me, after being weighed, the remaining 6 casks of Sulphur being kept under the Circar seals. After the Sulphur given to me shall have been expended, I request the other casks may be given to me from time to time as required. I also solicit the issue of a License as I had already requested.

KISTNA DISTRICT,
COLLECTOR'S KACHARI, MASULIPATAM,
26th October 1860.

No. 101. ORDER THEREON, 12th November 1860, No. 1,469.

The Government authorize the Magistrate of Masulipatam to grant to T. Soobaroyadoo a License on stamped paper under Section VIII, Act XXXI, 1860, for the sale of Sulphur on the proposed conditions, viz.—

1st. That T. Soobaroyadoo will sell the Sulphur only to such persons, and in such quantities as may be authorized by the Magistrate.

2ndly.—That the bulk of the Sulphur shall remain in charge of the Officers of Government, and T. Soobaroyadoo receive from time to time such quantities as he may require to meet current demands.

2. These conditions should be explicitly stated in the License, and the Magistrate should see that they are duly observed.

3. Adverting to the last paragraph of T. Soobaroyadoo's deposition, the Government cannot think it at all necessary that he should have in hand at one time so large a quantity of Sulphur as 2 casks or above 1,300 lbs. The Magistrate will be careful to restrict the issue of it to such quantities as may really be needed for the purposes of his current trade.
