No. 113. From Mr. GEO. W. STUART, to the Chief Secretary to Government, Fort Saint George, Madras, dated 62, Dhurrumtollah, October 22nd, 1860, No. 30.

I have the honor to acknowledge the receipt of the Proceedings of the Madras Government, received by me on the 18th instant, stating that only five Copies are required and the remaining 35 Copies are at my disposal.

I posted my letter, No. 8, with a Bill for 40 Copies on the 17th instant, a day previous to the receipt of the above mentioned Proceedings, and if the Government are yet disinclined to take the 40 Copies, I beg that the Bill may be altered to 5 Copies, and the remaining Copies (35) returned in the way I sent them, viz., four in each packet with the sides open and a four Annas Stamp attached to each parcel, *or on the Public Service.*

I, however, earnestly crave, that the Government will kindly reconsider the matter, and encourage me by taking all the Copies sent, as otherwise I will be in great pecuniary difficulties. The District Judges, I am confident, would derive much information from the Book in enabling them to decide cases in points of Law and practice.

No. 114. ORDER THEREON, 13th November 1860, No. 1,475.

The Government regret they cannot find use for more than the five Copies of Mr. Stuart's publication, taken by them. The remaining 35 Copies will, therefore, be returned to him by the book post in the manner indicated, viz., in parcels, with open sides, of four books, with a Four Annas Stamp affixed to each parcel.
