PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 18th January 1860, No. 9265.

I have the honor to forward for submission to Government, an estimate amounting to Rupees 40, received from the District Engineer of North Arcot, for fitting up four glazed windows to the session court house at Chittúr.

1 Letter from District Engineer No. 1286, dated 21st December 1859.
1 Abstract estimate, and 1 list.

2. In the accompanying list, which is countersigned by the Civil and Session Judge Mr. Harris, the necessity for the proposed work is explained, viz. to admit light into the record room, where some of the court servants transact business, and to protect the records from damp.

3. The estimate has been approved of by the Civil and Session Judge, examined in this office and found to be correct, I have to request, therefore, that Government will sanction the same for execution from the general funds at the disposal of the District Engineer.

ORDER THEREON, 1st February 1860, No. 261.
