*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 51. Read the following letter from H. L. ANDERSON, Esq., Secretary to Government, Bombay; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated 26th January 1860, No. 324.

I am directed by the Right Honorable the Governor in Council to acknowledge the receipt of your letter with enclosures dated the 6th instant, No. 19, relative to the rebels belonging to the Canara gang who have delivered themselves up to the Goa authorities; and to forward to you for the information of the Government of Madras, copy of a Telegram received from the Governor General of Goa regarding Ana Sawunt.

2. In reply to this Telegram, the Right Honorable the Governor informed Viscount Torres Novas that the Bombay Government would wish Ana Sawunt to be transported, but that if there should be any difficulty in carrying out that measure, it would leave the matter in the hands of His Excellency, trusting that the Goa Government would adopt such measures as would prevent all recurrence of the outrages imputed to Ana Sawunt.

3. It appears to the Right Honorable the Governor in Council therefore, that if the Governor General of Goa transports Ana Sawunt, all that can reasonably be expected will have been obtained:

4. With respect to the remark of Mr. Pochin in the last para. of his letter, this Government would observe that "British criminal subjects" are not punished by the Portuguese Government simply because they have surrendered to Portuguese troops, but because they have surrendered on Portuguese ground. This fact touches the whole question of extradition regarding which the Portuguese Government has always evinced considerable jealousy, but the present Governor General much less than his predecessors.

From Goa, 7th December,
From Governor General,

To Bombay,
To Lord Elphinstone.

I have the honor to inform your Lordship that through the effort of the Commanding Officer of the province of Embarbacem we beat the gang in the mountains of Digum on the fifth, Lieutenants Drever and Giertsen, being present; the result of this was the death of one of the Chiefs and the seizure of the two Bramins Fondinis; the remainder having abandoned their muskets, ran away through the jungles, and part of these have already submitted. By this opportunity I inform you that some days before Ana Sawunt and another Portuguese had submitted, and both of them have contributed much to these results, but as the first is one of the suspected, I recommend him to your protection.
