Proceedings of the Madras Government, Judicial Department, 22nd November 1860.

No. 206. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, Department Public Works, to J. D. BOURDILLON, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 2nd November 1860, No. 6,589.

"Public."

With reference to the Orders marginally noted, I have the honor to forward, for submission to Government, a Report, Plan and Estimate, amounting to Rupees 600, for repairing those portions of Térûmâl Naik's Palace in the District of Madura, occupied by the Sessions and Mufti Sudr Ameen's Courts, and for providing accommodation for the Munsiffs Court.

Nos. 1,465, 2,463, *and* 2,631, *dated 27th July and 20th November* 1858, *and* 10*th November* 1859; *No.* 111, *dated 26th July* 1860.
Enclosures 5.
2 *Letters from the Acting District Engineer of Madura Nos.* 530 *and* 759, *dated 22nd August and 9th October* 1860.
1 *Report* 3/7235/60.
1 *Plan* 4/7235/60.
1 *Abstract Estimate* 1/7235/60.

2. The portion of the Palace proposed for the Munsiff's Court is that at the North East angle recently used as the Zillah School, and which is stated not to be in a dangerous state.

3. Government having in their Orders, No. 1,371, dated 28th June last, sanctioned the construction of a Zillah School, no steps have been taken to provide accommodation for the School in the Palace.

4. The principal item in the Estimate, Rupees 367-4-11, is for reconstructing piers over terrace to 5 domes of the Court yard portico, which have fallen down, the domes being perfectly sound, and for filling in cracks in others, which are stated to be in a very dilapidated state, to arrest decay, as far as practicable. Also for repairing the terrace surrounding the main dome over Sessions Court, and for white-washing the interior to the height of 15 feet.

5. An item of Rupees 34-12-8 is allowed for trifling repairs to the portion of the building occupied by the Mufti Sudder Ameen's Court, and another of Rupees 86 for the part proposed to be assigned to the Munsiff's Court, a further sum of Rupees 50 being allowed for removing bushes from the walls and terrace.

6. The estimate has been examined in this Office and duly corrected, the rates therein given are those current in the District of Madura. I request, therefore, Government will be pleased to sanction the execution of the work, the amount, Rupees 600, to be defrayed from the fund obtained from the rent of the house occupied by the Sub Judge, as directed in Extract from the Minutes of Consultation, No. 1,465, dated 27th July 1858.

Letter, No. 759, *dated 9th October* 1860 *from the Acting District Engineer.*

7. Mr. Small, who resided in a portion of the Palace, quitted it in 1859, and it has not been occupied since.

Letter, No. 530, *dated 22nd August* 1860, *paragraph 2.*

8. Captain Brine, the late Acting District Engineer, explains that the delay which has occurred in complying with the requisition of Government is attributable to constant changes of Officers in charge of the 1st, or Madura Executive Circle, whose duty it was to supply the information called for.
