PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 9th November 1860, No. 630 :—

SIR,

I have the honor to forward for the consideration and orders of Government, a letter received from the Collector of South Arcot, under date of the 2nd instant, No. 178, requesting permission for the retention of a certain Establishment for the purpose of guarding the Records of his Office, and that of his European subordinates, pending the decision of Government on the subject. Mr. Wood has shown the necessity for the retention of this Establishment, in a former letter dated 11th February last, and the circumstance was brought to the notice of Government in my letter to them, dated 13th June 1860, whereupon Government referred the matter to the Judicial Department for consideration and orders. As I am not aware what final orders have been passed on the subject by Government, I beg to be informed, whether the Collector should be allowed to retain the extra Establishment he has applied for. Mr. Wood wishes to have five for his Kacheri and to allow four for the Sub-Collector, and three for the Head Assistant. I do not consider so large a number necessary for merely guarding the Records during the nights, which are secured within the building. One or two Peons will be sufficient for the purpose, and the Peons and attenders attached to those Officer's Establishment could attend by turns. It is however necessary that as a general rule, these properties should remain under the immediate protection of the Police.

ORDER THEREON, 15th November 1860, No. 2,151.

Referred to the Judicial Department, with reference to paragraph 4 of the order of July 18th 1860, No. 1,182.
