PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 31st October 1860, No. 605:—

SIR,

1. I have the honor to submit for the orders of Government, a list of stations at which I would propose to locate Sub-Magistrates in the District of South Canara. The places now recommended have been fixed on, after several communications with the Collector and the Inspector General of Mufassal Police.

2. Mr. Fraser, the Collector, was desirous of having eight Sub-Magistrates. This seemed a large number for this District, and Mr. Robinson, the Inspector General of Mufassal Police, was of opinion that six would be ample.

From Collector, dated 17th October 1860, *No.* 176, *paragraph 3.*

3. Mr. Fraser has now consented to dispense with the two, proposed for Bellary and Vitta, when the Head Assistant's head quarters are removed to Putúr, from which station these places are distant only about 10 miles, though the latter is distant 30 miles from the Cusbahs of the Kassargód Táluq, to which it appertains. As the Board have (Proceedings Board of Revenue, 2nd October 1860, No. 4,487) expressed their opinion that Putúr is the best station for the Head Assistant, this arrangement will probably be finally adopted, and for the present, therefore, I have omitted the Sub-Magistrates at Bellary and Vitta from the list.

From Collector dated 17th October 1860, *No.* 176, *paragraph 2.*

4. Both gentlemen deem it necessary to have a Sub-Magistrate, specially for the large town of Mangalore, notwithstanding that it is the head quarters of the Collector and the Tahsíldár. I have, therefore, retained this place. But Mr. Fraser again advocates making Bantwál, the old Cusbah of the Táluq of that name, the head quarters of the Tahsíldár of Mangalore Táluq (into which it is now incorporated), in preference to Mangalore, which is the chief town not only of the Táluq but of the District, and the head quarters hitherto of the old Mangalore Táluq. Mr. Fraser "strongly recommends "the reconsideration by Government of their "late decision* on this matter." But I question the necessity of altering that decision.

* *Order of Government, dated 9th October* 1860, *No.* 1,825, *paragraph* 4.

From Collector as above, paragraph 4.

5. I would therefore give a Sub-Magistrate for Bantwál. Mr. Fraser wished also to have one at Mulki in the same Táluq 18 miles from the Cusbah, but whatever necessity there may be for one at that place, it will be amply provided for, by conferring Magisterial powers on the Superintendent of Sea Customs, a measure now recommended by Mr. Fraser; and this point will be arranged by and bye when the Sea Custom Establishments are settled.

6. There remain therefore five places at which I would now beg to recommend that Sub-Magistrates be for the present sanctioned, viz., at Mangalore, Bantwál, Beltangádi, Karkal and Mílleshwaram, as entered in the accompanying statement, in which I have also shown the particulars of the three places at first recommended by Mr. Fraser, but at which it is not at present proposed to appoint Sub-Magistrates.

ORDER THEREON, 22nd November 1860, No. 2,204.

1. The Governor in Council approves and sanctions the proposals made in this letter for

location of Sub-Magistrates at the five following stations in South Canara at an aggregate of Rupees 450 :—

			Rs.
Mangalore	2nd	Class	114
Bantwál	3rd	do.	84
Beltangádi	,,	do.	84
Karkal	,,	do.	84
Níléshwar	,,	do.	84
		Total...	450

2. Adverting to paragraph 4, the Government see no reason to modify their Order of 9th ctober 1860, No. 1,825 paragraph 4, fixing Mangalore as the Cusbah of the Táluq of that name.
