No. 46. Read the following letter from JAMES INNES MINCHIN, Esq., Acting Magistrate of Kurnool, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th November 1860, No. 41.

In forwarding the statement of reduction effected by the introduction of the Police in the current month, I have the honor to report for the information of Government that the whole District has been brought under the new system since the 8th instant, the date on which the Talook of Dupád was taken over by the Police.

2. I believe that this District will compare favorably with the rest of the Presidency, in the rapidity with which the new Force has been organised, and the favor with which service therein is viewed by the class to which it should afford employment. With few exceptions most of the former Peons in the District, who possessed the necessary qualifications have been enrolled in the new Force.

3. I attribute this success to the knowledge of Native character possessed by Lieutenant Robinson the Superintendent of Police, and his excellent management, and trust that I may fitly take this opportunity of bringing to the notice of Government my opinion of his peculiar aptitude for the appointment which he holds.

No. 47. ORDER THEREON, 6th December 1860, No. 1,606.

Act XXIV, 1860, was extended to the Kurnool District under date the 11th May last. The Government now learn with satisfaction that the whole district by the 8th instant had been brought under the new system, and further that the service is popular. They notice likewise the favorable mention made by the Magistrate of the aptitude displayed by Lieutenant Robinson, the Superintendent of Police.
