No. 96. ORDER THEREON, 15th December 1860, No. 1,648.

The Inspector General of Police recommends that the Pay and Staff Allowance of Regimental Captains who may be appointed Assistant Superintendents of the *First Class* be reduced by Rupees 15-6-0 per mensem, so that they may not be in excess of the consolidated salary drawn by District Superintendents.

2. It appears however to the Government that even after this trifling reduction, the remuneration of a First Class Assistant of the rank of Captain would be too high, being equal to that of the Superintendent under whom he is serving.

3. The Government would wish the Inspector General to consider how this anomaly may be remedied, and the pay and allowances of a First Assistant be fixed at such an amount as will bear a proper proportion to the salary of the Superintendent. Mr. Robinson will consider whether this may not be effected by the adoption of a consolidated salary, in lieu of mixed Civil and Military Allowances, and whether the same principle may not be extended to the remuneration of the 2nd Class Assistants.

(Signed) T. PYCROFT,
Chief Secretary.
