Proceedings of the Madras Government, Judicial Department,
15th December 1860.

No. 107. Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 5th December 1860, No. 1,378.

With reference to the Proceedings of Government, dated 16th ultimo, No. 1,501, Judicial Department, I have the honor to state that as the newly-created grade of Inspecting Superintendent of Police has not received the sanction of the Government of India, there is an objection to the salary of the post (which, together with Regimental pay and allowances, exceeds the allowances of ordinary Superintendents) being passed without special authority.

No. 108. ORDER THEREON, 15th December 1860, No. 1,654.

The Civil Auditor will be informed that the matter has been referred to the Government of India. Pending the receipt of their answer, this Government authorize him to pass the additional allowances sanctioned by them for the grade of Inspecting Superintendents of Police.

(Signed) T. PYCROFT,
Chief Secretary.

No. 109. To the Secretary to the Government of India, dated Fort Saint George, 15th December 1860, No. 1,655.

I have the honor to forward copy of a letter, 9th ultimo, No. 1,080, in which the Inspector General of Police has proposed that the entire Presidency should be divided into five Police Ranges, each comprising four Districts, and that a grade of Inspecting Superintendents, who should receive full Regimental pay and allowances, in addition to the pay and travelling allowances of ordinary Superintendents, should be constituted for the charge of these Ranges.

2. Mr. Robinson truly states that it would be impossible for one Inspector General personally to supervise the constitution and working of the Police of 20 Districts—to look after from 20,000 to 25,000 men spread over upwards of 1,00,000 square miles—to maintain that uniformity of discipline and method which is indispensable—to introduce order among the Village Police—and to deal with the innumerable questions constantly arising, connected with the detection and prosecution of crime.

3. Under the circumstances explained, the Government have sanctioned the new grade, but only one appointment has as yet been made. As it has been necessary to fix the remuneration at a somewhat higher scale than that of a District Superintendent, which is a consolidated salary of Rupees 700 per mensem, His Honor in Council has acceded to the Inspector General's recommendation, to give the Inspecting Superintendent full Regimental pay and allowances, in addition to staff salary.

4. The expense incurred by this measure cannot at present be accurately ascertained, but Mr. Robinson hopes that the arrangement will not ultimately involve any increase in the number of sanctioned Superintendents, as the Superintendents in some of the smaller Districts may be dispensed with, as soon as the Police Force of each has been thoroughly organized. In such Districts, Mr. Robinson thinks, a First Assistant will suffice.

5. Under these circumstances, I am directed to solicit the sanction of the Supreme Government for the measure.

Chief Secretary.
