REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Auditor, to J. D. SIM, Esq., Acting Secretary to Government, dated 29th November 1860, No. 842 :—

SIR,

By Government Order of the 22nd March 1844, No. 261, Revenue Department, eight carts, at 9 Rupees each per month, were authorized for conservancy purposes in the Fort of Trichinopoly, and the charge still continues to be drawn in the Revenue Contingent Bills of the Collector of that District. As such charges are not usually debitable to the General Revenues, but are met from municipal or other local funds, and the sanction in the case referred to dates nearly 17 years back, I have deemed it right to bring it to the notice of Government, with a view to inquiry (if considered necessary) being made, as to the necessity or otherwise of continuing the charge in its present form.

ORDER THEREON, 11th December 1860, No. 2,364.

As it appears from the former correspondence on the subject that the charge in question is incurred by the Magistrate of Trichinopoly, this letter will be referred with the orders noted in the margin to the Judicial Department for such notice as may be considered necessary.
