Dated 6 — 1 — 1860.

Not to be folded or roughly handled

Read again letter from the Commissioner of North Canara, dated 10th December 1859, No. 508, and recorded in Proceedings of the 23rd December 1859, No. 1715.

No. 27. Read also the following letter from C. N. POCHIN, Esq., Commissioner of North Canara; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Honore, 19th December 1859, No. 518.

In continuation of my letter of the 10th instant, I have now the honor further to report that on the night of the 6th instant Lieutenant Drever and party wounded 3 others of the Bund, besides those that were then apprehended.

2. Rowbah, Shanta and Bablo having been identified, I have this day issued the orders for the disbursement of the sanctioned reward of Government to the Superintendent, who being best able to judge of the merits and acts of those that were engaged with him at the time of the capture, will reward every deserving man fully and judiciously. I trust that this will meet with the approval of His Excellency the Governor.

3. Seven more of the rebels have surrendered themselves to the Goa authorities since my last letter, so that the Bund has been reduced to 18 within the last 3 weeks, I have requested that an entire list of the names may be furnished which shall be forwarded to you as soon as received.

4. Lieutenant Drever since his dour has had an interview with His Excellency in Goa, who he states "refuses to deliver over into our hands, Ana (British subject) one of the apprehended chiefs of the rebels; that he (Governor) will transport him, and in doing so, acts under the sanction of Lord Elphinstone." I am sorry I cannot concur in the propriety of the policy of British criminal subjects being punished by the Portuguese Government, as they may think proper, simply because the surrender is made to Portuguese troops.

5. This Ana Mangaumkar has been for months the chief man of the Bund and being charged with leading an insurrection, and rebellion against the British Government, I consider he ought to stand his trial before a British tribunal. I shall feel greatly obliged if Government would send me their orders as to how they would wish me to act in this matter.

No. 28. ORDER THEREON, 6th January 1860, No. 18.

In his letter of 10th ultimo, the Commissioner for North Canara reported that 6 of the Bund had surrendered themselves to Colonel D'Silva, Commandant of Phonda in the Goa territory, on the 29th November. Three of these men—as per margin—are among those whose names and the rewards offered for their apprehension are in the amended list annexed to Mr. Ames' letter of the 12th August.

Ana Sahib...	*Rupees* 1,000
Phondoo Gookhab...	,, 500

Shanto...	,, 100
Phondoo...	
† *Bablo*...	,, 100
‡ *Pottay Gamkar*...	,, 100

2. Lieutenant Drever had also attacked the Bund on the night of the 5th ultimo, had apprehended three* rebels and killed one,† a fifth‡ had delivered himself up and was there with Lieutenant Drever.

3. It was stated that from these losses there were only about 13 of the Bund left.

4. In his letter of the 19th ultimo, Mr. Pochin reports that besides those of the Bund apprehended by Lieutenant Drever in his late skirmish three others were wounded, seven more of the rebels had surrendered themselves to the Goa authorities, so that there would seem now to be only about 6 remaining.

(*a*) ...	*Rupees*	1,000
(*b*) ...	,,	1,000
(*c*) ...	,,	100
		2,100

5. The Government approve of the rewards offered for the seizure of Rowbah (*a*) Shanta (*b*) and Bablo (*c*) having been disbursed to the Superintendent for payment to the parties entitled to share in them.

6. The reasons for which His Excellency the Governor General of Goa declines to deliver up Ana Mangaumkar are too vaguely stated to admit of the Madras Government forming an

opinion upon the subject. The Government resolve to refer to the Government of Bombay for information in respect to any arrangement which they may have made with His Excellency the Governor General of the Portuguese Indies for the deportation of the leaders of the Bund. It will be apparent to that Government that it is highly necessary that the leaders should be removed from the country and that those of a lower class should be visited with such amount of punishment as may be proportioned to their respective degrees of criminality.

Chief Secretary.

No. 29. To the Secretary to the Government of Bombay; dated Fort Saint George, 6th January 1860, No. 19.

Dated 10th and 19th ultimo, Nos. 508 and 518.

I am directed to forward, for submission to the Government of Bombay, copies of two letters received from the Commissioner of North Canara, reporting further operations against the Bund.

2. In his letter of the 10th ultimo the Commissioner stated that six of the Bund had surrendered themselves to Colonel D'Silva, Commandant of Phonda in the Goa territory on the 29th November, and in his letter of the 19th ultimo, that seven more of the rebels have surrendered themselves to the Goa authorities.

3. Adverting to the two last paragraphs of this letter, I am directed to solicit information in respect to any arrangement which the Government of Bombay may have made with the Governor General of the Portuguese Indies for the deportation of the leaders of the Bund. It will be evident to His Excellency the Governor of Bombay in Council that it is highly necessary that the leaders should be removed from the country, and that those of a lower class should be visited with such amount of punishment, as may be proportioned to their respective degrees of criminality.
