*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 49. Read the following letter from A. HATHAWAY, Esq., Magistrate of Bellari; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Camp Hospet, 1st February 1860, No. 7.

1. I have the honor to bring to the notice of Government, that in consequence of the almost total failure of the monsoon, and the high prices of grain consequent thereon, parts of this district are in a very unsatisfactory state; and the present Police Force is not of sufficient strength to meet it.

2. Two torch robberies have been committed in this district, within the last 20 days, in the Taluks of Pengonda, and Yadki, by a gang consisting of more than 100 robbers. Considerable personal injury was inflicted on the inmates of the houses; and property to the amount of about 30,000 Rupees in the first instance, and of 18,000 Rupees in the second was robbed.

3. It has been reported to me, that a body of 500 men, armed with weapons, have located themselves in the hill near a village called Venkatampalli in the Anantapur Taluk; and that a large body have assembled in a hill called Gampamalakonda in the Gutti Taluk.

4. I have made the best arrangements I can; and have despatched to the disturbed parts a portion of the Karnul horse, which are attached to this district; but as there are only 27 of them in the district, I cannot do much with them.

5. I request, therefore, that the sanction of Government may be granted for my entertaining 20 daffadars at 6 Rupees, and 200 peons at 4 Rupees each per mensem, till the 30th of September 1860; when it is hoped, that if seasonable rains fall, the prices of grain may be favorable.

6. An extra Police Force amounting to

2 Sarchasams at 14 Rupees each per mensem.	
15 Daffadars at 6	do. do.
150 Peons at 4	do. do.
14 Daffadars at 3 Annas each per diem.	
140 Peons at 2	do. do.

was, with the sanction of Government, entertained from the 1st of July to the 30th of September 1859, in consequence of the then disturbed state of the district.

7. Bordering as it does on the Districts of Karnul, and Kadapa, and a portion of the Mysore territory and possessing several hills, it is peculiarly adapted for robbers.
