*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 69. Read the following Circular :—

CIRCULAR.

No. 2015.

FORT SAINT GEORGE,
Accountant General's Office,
14th February 1860.

From R. P. HARRISON, Esq., Accountant General.

To all COLLECTORS.

General Department.

The Government having, in their order in the Judicial Department, No. 33, dated 10th ultimo, directed the salaries of the members of the Mofussil Force to be paid before audit, and advances to be made to the Superintendents of each district, I have the honor to request that you will debit the amount of such advances as you may from time to time be required to make to "Advances on account of the Service of Government," and on receipt of audited Bills, credit this head and debit "Judicial Charges General," minor head "Mofussil Police." This intermediate entry however need seldom appear in your Treasury Accounts as audited bills should invariably reach you before those accounts are compiled.

2. It is intended to sanction at the commencement of each year an Estimate of the amount of advances that will be required by each district Superintendent for the payment of salaries and other charges of the Force, and you will be authorized to permit the Superintendent of your district to take up advances monthly not exceeding this sanctioned amount. The Superintendent of your district will be granted a Letter of Credit on you at the commencement of each year for the amount sanctioned by Government, and you will be required to instruct your subordinates to honor all drafts of his drawn in the manner and under the conditions prescribed in Rule 41 of the Taluq Manual, appended to the Circular from this Office No. 1087, dated 14th September 1848, i. e., that the district Superintendent shall forward to each Tahsildar on the 25th of each month a memo. of the sum he will require from this Taluq for the following month, and to yourself, at the same time, a separate application of the same kind for each Taluq accompanied by a general statement for the whole district.

3. All deductions from the pay of Police Officers and all other monies accruing in the manner related in Section XII of Act XXIV of 1859, tendered to you by the Superintendent of Police, should be credited by you to "Bills Payable," and remitted by you monthly, at the close of the month, by a bill to the Sub Treasurer accompanied by a memo. of the particulars of the sums comprizing the amount of the remittance. This bill should be drawn on the Sub Treasurer and in his favor and at sight, and the advice sent to that Officer direct. The amount of this bill will be credited by the Sub Treasurer to "Mofussil Police Superannuation Fund." All payments out of the Fund should be made on audited Bills and debited to "Advances Repayable"—the audited bill should immediately be despatched to the Sub Treasurer who will reimburse the amount by a draft on you, on receipt of which credit should be given to "Advances Repayable."

4. I enclose a few spare copies of this Circular which I request you will hand over to the Superintendent of Police of your District.
