*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 5. Read the following letter from G. F. FULLERTON, Esq., Deputy Register to the Court of Faujdari Adalat; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 17th February 1860, No. 6.

1. I have the honor, by direction of the Judges of the Faujdari Adalat, to submit for the sanction of Government, a Bill forwarded by the Session Judge of Chicacole, on account of the travelling expenses of Major Strange and Doctor Smith, summoned to attend as witnesses on the trial of certain parties for the murder of the late Captain Leicester. The travelling allowance being calculated at the rate of $\frac{1}{2}$ a Rupee per each mile.

2. In their Proceedings of the 9th May 1859, the Government sanctioned the payment of travelling allowance to several Officers of Her Majesty's 44th Regiment, who appeared as witnesses in a case before the Principal Sadr Amin of Chingleput, calculated at the difference between half and full batta during the period of detention according to a precedent quoted by the Civil Auditor.

3. In the present instance, the Officers being at a full batta station, the travelling allowance cannot be calculated as above, and from their having been absent but four days from their station, would not nearly re-imburse their outlay. Under these circumstances, the Judges recommend that the Bill as now drawn out receive the sanction of Government.
