*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 27. Read the following letter from W. ROBINSON, Esq., Inspector General of Mofussil Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th February 1860.

With reference to the Order of Government No. 180, dated 15th instant, on the Velur affair. I have the honor to report that both the Ringleaders of the disturbance have been convicted and fined by the Joint Magistrate. The copy of the conviction has not yet reached me.

2. The principal one was the Arrack Contractor, Govindu Mudily, who has for years been in intimate relations with the late Police Amin of the place; and was naturally ready to take advantage of a false step on the part of the Police.

3. The Head Constable has likewise been convicted and sentenced to a fine of 30 Rupees, in default to be imprisoned for 2 months. He has been dismissed. I had got him from the Madras Police.

4. The interference was in direct disobedience of the written Station House orders, under the hand of the Superintendent. I have impressed on all the Officers in charge of districts the necessity of avoiding interference with processions &c., of this character.

5. I have now placed the ablest European Inspector I have, with a good Native Inspector, in charge of Velur; and I feel assured that there will be no repetition of such untoward occurrences.

6. Captain Hearn has taken a house there, and will pass more time at Velur than hitherto.

No. 28. ORDER THEREON, 23rd February 1860, No. 220.
To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.
