*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 61. Read the following letter from G. THORNHILL, Esq., Acting Collector and Magistrate of Karnul; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th February 1860, No. 7.

In forwarding the accompanying letter* from the Officer
* 11th February 1860, No. 10. Commanding the Karnul Horse, soliciting permission to draw the pay of his Regiment on the 1st of every month in anticipation of the receipt of the passed abstract, I have the honor very respectfully to recommend that the sanction of Government be accorded to his request. The prices of all necessaries for the men and their horses are very high and their being kept in arrears of pay obliges them to borrow money at high interest to procure them.

From Lient. H. S. ROBINSON, Commandant of the Karnul Irregular Horse; to G. THORNHILL, Esq., Acting Magistrate of Karnul, dated 11th February 1860, No. 10.

I have the honor to bring to your notice the serious inconvenience and pecuniary loss the men of the Corps under my command are subjected to, consequent on their being kept so long in arrears of pay, very often so much as nearly 2 months.

2. The prices of all articles of consumption are so very high that unless pay is issued regularly monthly, the men cannot help involving themselves in debt.

3. Under these circumstances I would strongly and earnestly recommend that application be made to Government requesting that I, as Officer Commanding the Horse, be permitted and authorised to draw the pay of the Ressalah on receipt from the Treasury on the 1st of every month, repaying the amount on the Abstracts being passed and returned.

No. 62. ORDER THEREON, 28th February 1860, No. 239.

The Civil Auditor, who will be furnished with a copy of the above letter and its enclosure, will be requested to state whether he can account for the men of the Karnul Irregular Horse, being kept so long in arrears with their pay.

(Signed) T. PYCROFT,
Chief Secretary.
