No. 56. ORDER THEREON, 20th March 1860, No. 341.

In his letter of the 14th January last, forwarded to Government by the Board of Revenue, Mr. Forbes submitted three statements of expenses incurred during 1856 and 1857, in quelling the disturbances in Purlakemidy, and requested instructions whether the charge should be borne by that Estate or by the Government.

Sundry charges	701	13	1
Rewards, &c., for the apprehension of rebels	2,183	10	0
Batta to Peons, &c	5,097	15	0
Rs...	7,983	6	1

2. The Honorable the Governor in Council sanctions the sums disbursed, aggregating seven thousand nine hundred and eighty-four Rupees.

3. With respect to the manner in which these sums are to be charged, it is noticed that by the Orders of Government, 24th June 1856, No. 668 and 13th August, No. 866, certain charges, compensation for losses sustained by certain chieftains, and by Government villages in Purlakemidy and the cost of bangles and a sword and belt presented as rewards, were directed to be debited to the Purlakemidy Estate on the grounds that the rebels; as well those who suffered from the outbreak, were dependants of the Zemindar, while there seemed little doubt that the disturbances had been fomented by his relatives.

4. Subsequently by the Order of Government, 14th May 1857, No. 561, the amount sanctioned for the support of the Dundaseenah's family was ordered to be borne by Government, unless connivance in the insurrection could be clearly proved against the proprietor of the Kimedy Estate, or his representatives, in which event it was to be charged to that Estate.

5. The Government have no information before them showing how this allowance has been charged under the Order, and whether the connivance has been clearly made out. If it has not, the Government direct that the present charges be debited to Government, in consideration of the fact that the escape of the Dundaseenah, which led to these disturbances, was owing to the remissness of the Government Officers, and looking also to the character and position of the Zemindar himself.

6. The Government resolve to forward copy of these Proceedings to the Accountant General and request him to explain, why these accounts have been allowed to remain so long undjusted.

(Signed) T. PYCROFT,
Chief Secretary.

Mr. Knox, 12th June 1856 No. 133/para 7.

The Agent was of opinion that the sums thus paid should be drawn from the Rajah's funds. The had left little doubt that some of his advisers had played false— & it would be a lesson to them to find that the cost of these outrages had

had to be borne by the Rajah. Lord Harris thought that Govt. would require some clearer evidence than was at that time before them of the culpability of the Rajah's people, before charging all the expenses to his Estate. The Honble Mr. Elliot saw no objection to making the Zemindary revenues answerable for the expenditure caused by the insurrection. All the rebels were subjects of the Zemindar, & those who suffered, his subjects or dependents. Even if his relatives had not fomented the disturbance, of which there can hardly be a doubt, the disbursements to fall more justly on the revenue of the Zemindar than on that of the State. The Govt. agreed

with Mr. Knox that the sums thus to be defrayed might properly be defrayed from the revenues of the Purlakimedy Zemindary. All the rebels were dependants of the Zemindar, as were those who suffered from the outbreak. The disbursements would, therefore, fall more justly on the revenues of the Zemindary than on that of the State — even if the relatives of the Rajah had not fomented the disturbances, of which there seemed little doubt.

13th Aug. '56 No. 866.

6. The Agent submitted a statement of the losses sustained by Govt. villages in Purlakimedy — & solicited sanction for disbursement of the sum viz. Rs. 1,400 to be

be paid for out of the surplus funds. Govt. sanction the further disbursement payable from the surplus Funds of the Purlah Zemindary.

15th Decr. 1856 No. 1328 7. The issue of batta to the Goomah peons for two months was sanctioned.

14th May 1857 No. 561. 9. Govt. sanctioned an allowance* for the maintenance of the family of the Dundaseenah to be hopne by Govt., unless commenced in the insurrection could be clearly proved against the proprietor of the Kimedy Estate, or his representatives, in which event it should be charged to that Estate.

* Rs. 10 a month subject to reduction on death of some of the members.

3rd Janry. 1857 No. 3. 8. Govt. sanctioned distribution of Rs. 350 to the Chief of Bimpur & others. Authority granted to give such rewards in future without reference to Govt.

Proceedings of the Madras Government

Read the following Proceedings of the

Revenue — Dated 16th February 1860 No. 843.

Order thereon 20th March 1860. No. 341.

In his letter of the 14th January last, forwarded to Govt. by the Board of Revenue, Mr. Forbes submitted three statements of expenses incurred during 1856 & 1857 in quelling the disturbances in Purlakemidy — & requested instructions whether the charge should be hopne by that Estate or by the Govt.

2. The Hon'ble the Governor

Governor in Council sanctions the sums disbursed, aggregating Seven Thousand Nine Hundred & Eighty Four Rupees.

Sundry Charges	701..13..1.	
Rewards &c. for the apprehension of Rebels	2183..10..	
Batta to Peons, &c.	5,097..15..	
Rs.	7983..6..1	

2. With respect to the manner in which these sums are to be charged, it is noticed that by the orders of Govt., 24th June 1856 No. 668 & 13th Augt. No. 866, certain charges — Compensation for losses sustained by certain Chieftains & by Govt. villages in Purla-kemidy & the cost of Bangles & a Sword & Belt presented as rewards — were directed to be debited to the Purla-kemidy Estate on the grounds that the rebels, as well those who suffered from the outbreak, were dependants of the Zemindar, while there seemed little doubt that the disturbances had been fomented by his relatives.

24

3. Subsequently by Govt., 14th May 1857, No. 561, the amount sanctioned for the support of the Dundaseenah's family was ordered to be borne by Govt., unless

unless connivance in the insurrection could be clearly proved against the proprietor of the Kimedy Estate, or his representatives, in which event it was to be charged to that Estate.

5. The Govt. have no information before them, showing how this allowance has been charged under the order, & whether the connivance has been clearly made out. If it has not, the Govt. direct that the present charges be debited to Govt., in consideration of the fact that the escape of the Dundasenah, which led to these disturbances, was owing to the remissness of the Govt. Officers, & looking also to the character & position of the Zemindar himself.

6. The Govt. resolve to forward copy of these Proceedings to the Accountant General & request him to explain, why these accounts

accounts have been
allowed to remain
so long unadjusted
