*Proceedings of the Madras Government, Judicial Department,
for the month of March 1860.*

No. 14 A. Read the following letter from J. R. KINDERSLEY, Esq., Subordinate Judge of Bellari, to J. H. GOLDIE, Esq., Acting Civil Judge of Bellari, dated 12th March 1860, No. 101.

The privilege leave for which I applied on the 26th January was refused on the ground that the Government were unable to arrange for the charge of the Sub Court; but I am encouraged by a communication from the Private Secretary to the Honorable the Governor to hope that at a later period my leave may be granted.

2. I have therefore the honor to request that you will have the goodness to submit, through the usual channel, my application for two months and 15 days' privilege leave, to visit the Neilgherry Hills and Madras, commencing on the 16th April next, and for the indulgence of reserving, under Sections XII and XIII of the Absentee Rules, the remaining portion of the three months to which I am entitled, till a later period when I wish to take my family to Madras on their way to England.

3. The Government will observe that the period for which I have asked for leave includes six weeks during which the Civil side of the Court would in any case be adjourned, and in which the Criminal duty is usually light.

4. I have the honor to submit a Memorandum of the state of the file of this Court.

The Sudder Court beg to recommend that this application may be complied with.

By order of the Sudder Court.

(Signed) C. F. CHAMIER,
Registrar.

19th March 1860.

Eligible to three months' leave under Section XII of the Rules.

Cumulative privilege leave is not allowed to be taken by instalments.

No. 14 B. ORDER THEREON, 23rd March 1860, No. 358.

The Honorable the Governor in Council is pleased to grant Mr. J. R. Kindersley, Sub Judge of Bellary, leave of absence for 2 months and 15 days under Section XII of the Covenanted Service Absentee Rules, provided he avails himself of it during the adjournment of the Civil Court.

My dear Prescott,

The Judges think that Mr. Kinkaid might now be granted his leave, provided he takes it during the adjournment of the Court. The Criminal work of his Court might be carried on during his absence by the Sessions, who should be vested with special authority for the purpose.

Please refer to Repts. Minis. Cons. 3^d August 1858, No. 1057. The latter clause of the Notification

which was pronounced on that
occasion, would do for the
present case.

Yours very truly
C. F. Chamier
