Paragraph 1. With reference to the last paragraph of the Order of Government on their Proceedings, dated the 12th December 1859, No. 1660, I have the honor to inform you that the stable belonging to Stri Varadaraj Banj, son of the late Zemindar of Goomsúr, in the Mahal recently occupied by him at this station, was pulled down and the materials sold for Rupees 31-9-6, leaving a balance of Rupees 4-1-3 (after deducting Rupees 27-8-3 for expenses incurred in pulling down the building, removing the materials and repairing the walls) to be remitted to Stri Varadaraj Banj.

2. On my calling upon the District Engineer of North Arcot to favor me with such explanation as he might have to offer, regarding the sale of the materials of the stabling being so much below the estimated value,* he states that the materials when pulled down were found to be considerably decayed and not worth near so much as would have been calculated from inspecting it beforehand, copy of his letter to my address, dated 13th instant, No. 1670, together with the list of sale forwarded to me with the Assistant District Engineer's letter dated 24th ultimo, No. 737, are herewith enclosed. I would solicit further instructions on the subject.

* *Rupees* 71.
