PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, dated 25th February 1860, No. 10,672:—

With reference to Extract Minutes of Consultation, dated 27th January 1859, No. 248, I have the honor to forward herewith the correspondence noted in the margin, from which it will be observed that there are already at Ragapur a Barrack, Hospital and Store Room, and a Magazine, affording accommodation for one whole Company, and built of permanent materials. The buildings in question were, until lately, occupied by the detachment of a line Regiment stationed at the above place. A plan of the buildings is herewith forwarded, together with an Estimate amounting to Rupees 114 for the necessary repairs to the same.

From	District Engineer,	30th August	1859,	No. 196.
To	do.	13th September	1859,	No. 4936.
From	do.	19th do.	,, ,,	229.
From	do.	22nd do.	,, ,,	233.
To	do.	29th do.	,, ,,	5543.
From	do.	5th October	,, ,,	242.
From	do.	9th February	1860, ,,	462.

2. The Estimate has been duly examined and the rates therein allowed have been found moderate, but at the same time sufficient.

3. There has been much unnecessary delay on the part of the District Engineer in reporting on the subject of the buildings under consideration. After a lapse of more than six months since the date of the receipt by him of the Orders of Government under acknowledgment, the District Engineer reported simply the circumstance that buildings were already available for the purposes intended. It became necessary, therefore, in view to ascertaining the suitableness or otherwise thereof, to call for fuller information in regard to the said buildings, as well as for a plan of the same, which latter only reached this Office on the 15th instant.

ORDER THEREON, 14th March 1860, No. 525.

Referred to the Judicial Department, with reference to paragraph 2 of the Order in that Department dated 4th January 1859, No. 8.
